Whenever a user accesses the website of the Town of Schönebeck (Elbe), an access to the web-server of the Alfahosting GmbH Company is carried out by your browser automatically. On behalf of the Town of Schönebeck (Elbe) the Alfahosting GmbH Company records data from the last five hundred shorted by one byte IP addresses of the user hosts for statistical purposes. In this way the anonymity of these IP addresses is guaranteed immediately and the recorded data are reduced. As a result these data are non-personal data or traffic and it is not possible to figure out which information requests have been recalled by what user. That is why individual user's profiles cannot be recorded. All processed data will not be passed on to third parties. This website does not use Java applets, Active X controls or other technical measures that serve to re-enact the user's access.

If you wish to send to us a message of private content, we recommend to send it by post. When you request information or order materials from the Town of Schönebeck (Elbe), the data necessary such as postal addresses and email addresses to enable sending of this information or these materials must be entered. These data are acquired only for processing of the corresponding order and will not be made available to third parties. If you have any questions with regard to data protection you can ask the [data protection registrar of the state of Saxony-Anhalt](#) for advice. For more information about data protection see our German page [Help/FAQ](#).

The protection of personal data is important to us. Therefore, we operate the above Internet portals in accordance with applicable data protection and data security laws. You can obtain comprehensive information about the legal regulations at <https://datenschutz.sachsen-anhalt.de>. In particular, we are subject to the provisions of the General Data Protection Regulation (EU-DSGVO) and the Land Data Protection Act of the Land Saxony-Anhalt. This Privacy Policy applies only to our websites. If you are forwarded to other pages via links on our pages, please inform yourself there about the respective handling of your data.

Your personal data will be encrypted as far as possible by digital security systems and protected by technical and organizational measures from damage, destruction or unauthorized access. We want to strengthen the trust of users in our offer and for this reason disclose the handling of personal data. Here you will learn what information is collected and how the information is used.
